Cheryl

Remember that cheeky cellist on the cover, and in the centre, of Knave 15/12? Well, here she is again — being all sweet and lovely and much more like herself in real life. She should just about have turned twenty by the time you see this, and time will have done nothing to dim her sense of humour (see Caught in the Act, pages 6 & 7). She comes from Eastbourne (which probably explains the sense of humour) but now lives in Brighton so she can commute to London for the occasional modelling assignment. Or, in her case, modelling assignation — she really loves her work.

Yea, verily the Editor was walking in the wilderness and they came unto him and said, "This girl is an Amateur!" And he was well pleased and had a drink. And the pictures were taken and were seen to be good.

And it came to pass that just before they were to be published, they came unto him mob-handed and said, "Woe! She was not an Amateur!" And verily her picture had appeared in a rival publication run by a bunch of ratbags even if it is a good magazine. And he said, "*//©"&£*"'£&/©£© ©"£***." And had another drink.

Then he said unto them, "Silly cow, we would have used her anyway — but why did she lie to me?" And he was wroth (and pissed) and went up the mountain for a quick one.

Then he returned, saying, "We will launch a special new Amateur Model Competition with lots of spiffing prizes — only they don't qualify if they've appeared anywhere else first." And they all bowed down and praised him and he bought a round.

Meanwhile, Jackie is 21 years old, 5' 6" tall, 34-23-35, comes from South London — and could maybe have been a contender . . .

Mandy

Now this is a real scoop. It's not often we can persuade the lead singer of a famous rock band to do a nude set for us. But here she is, In the flesh: Mandy of Mandy Lifeboat and the Titanics.

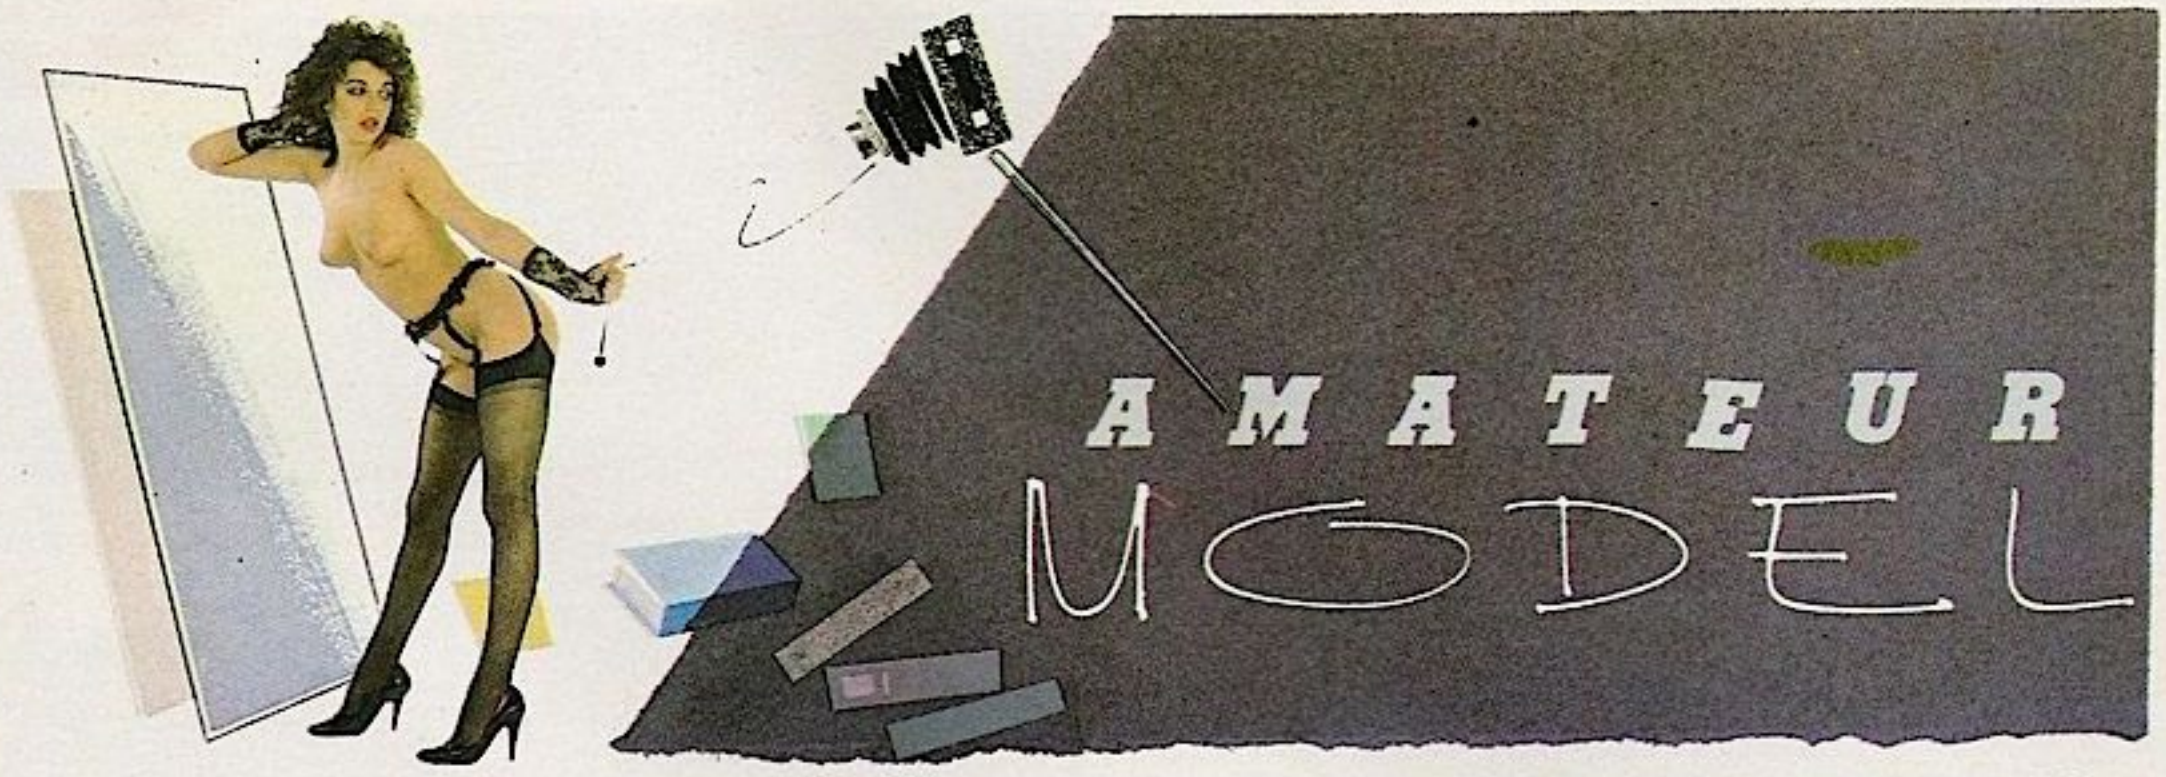
At least I think she is. Hang on, maybe I'm confusing her with Rosie from Rosie Cheeks and the Derriers? . . . All right then, let's see what the photographer says about her. Hmmm . . . according to him she's an unknown Swedish model with an unprounceable name. The man's a fool! Anyone can see she's really Emma. You know, Emma Royd and the Piles . . .



This girl did it — so could you. If you think you could make it as one of our Amateur Models, fill in the form below and send it in with a few rude nude pictures of yourself. Polaroids will do, at least two completely nude — front and back view.

You're going to have trouble believing that she's an Amateur, aren't you! Well, sod your cynicism, this really was her first ever glamour shoot — but it won't be her last. She said she was going to spend the £150 on a modelling course — so keep your eyes peeled.

If you're successful we'll invite you to London, pay you £150 for the day's work plus travelling expenses and overnight accommodation, build a special set and lay on a make-up artist and a professional photographer to make sure you look your best. There's also a £25 prize for whoever took the original pictures of you. You'll never know unless you try — and it's great fun being a star for a day!

She's 19 years old, 5'6" tall and has a delicious 35-23-35 figure. If she has a fault (and we'd have to dig deep to find one) it's that she's a bit on the quiet and withdrawn side. But once she gets her confidence she'll knock 'em sideways. She certainly worked some magic on the Editor. He was so mesmerised he let her keep that wooly pully. At one point we even thought he might let her have a swig from his hip flask — but that would have been stretching the bounds of credibility beyond belief . .

She's called Sophie. That's her modelling name, dunno her real one. She's 18. This is one of her first ever nude sessions — could be her last. So hang on to it. Buy two copies of this issue so you can paper your walls with her without missing out on the pictures on the other side of the page. Better still, buy three or four and put them in a bank vault as an investment.

Because it's odds on that she'll get snapped up by the page 3 and calendar merchants super-sharpish — which will mean by appointment (and topless) only. Which will also mean tough luck on the rest of us — but good luck to Sophie.

And why not, indeed? Frankly we'd be delighted for her. She wouldn't be the first girl who started off in Knave and made the much vaunted page 3 spot. In fact we're seriously thinking of doing our bit to promote more of this sort of thing. No details finalised as yet, but keep your eyes on the Amateur Model spot in future issues . . .
